## School Equipment

For health and safety reasons we have to ask that children do not play on our playground equipment after school. This equipment is only to be used under the supervision of staff members.

## Sports Activities

**While we will always do our very best to support, we are not able to arrange transport for children to and from sports events and other activities held off site. Let us know if you are having problems arranging transport to or from an event and we will try to help you liaise with another parent or carer who might be able to help.**

## P.E. Kits

All children need a P.E. kit in school comprising of white t-shirt and black shorts, and suitable trainers. We have very limited spare kit in school. Please make sure all items are named. P.E. lessons are on a Monday, Wednesday and Friday afternoon, however as the weather improves we will be offering the children the opportunity to run the daily mile as often as possible. Children cannot participate if they are not wearing suitable footwear.
