## Extreme Reading Challenge

In really exciting news, we are very proud to announce that Luna (pictured above) was chosen as the winner of the Extreme Reading completion! Not only was she the winner at Bishop Rawle, but from all schools in our TMPF family! Her extreme photo was taken from Blackpool Tower. Thank you to everyone that took part in the competition.

## Mad hair day

On the 13<sup>th</sup> March we will be hosting our Mad Hair Day! We are asking for donations of 50p which are all going to help fund new computing resources in school.

## World Book Day

Yesterday saw us celebrate the annual World Book Day, there were fantastic outfits worn by all! Well done everyone! The children completed lots of different activities throughout the day and continually showed their love of reading.

## Sponsored Read

We hope you are getting stuck into the Sponsored Read and enjoying it! Please can all sponsorship money be placed into a sealed envelope and handed into school by **Monday 9<sup>th</sup> March**. We hope to raise money to spend on some new books for our children so that we can continue to promote our love of reading!

## Book Fair

During our parent's evening on Monday 9<sup>th</sup> March and also in our open morning on the 13<sup>th</sup> March, we will also be hosting an Usborne book fair. There will be a wide variety of Usborne books on display for parents and children to look at during these events.

Becky Middleton will also be on hand to provide advice on books that are suitable for your child and any interests they may have or areas you may wish to work on.

## Sporting News

Unfortunately, due to weather there have been no sporting events over the past few weeks. However, we do have different events coming up, so watch this space!

## Sport Relief week

Next week will see us celebrating Sport Relief with a week of different activities and challenges. Children will have the opportunity to buy a Sport Relief wristband from the Office for £1, please note, the wristbands are optional and there are only 100 available, once they are gone, they are gone! Please make sure to come in full PE kit all week to take part in the activities.

Monday – Mindfulness Monday – we will be doing some Yoga and launching the design a sports kit competition!

Tournament Tuesday – We will be having our KS1 and KS2 Inter-House Dodgeball Tournament.

Wiggle Wednesday – We will be completing some hula hooping activities as classes.

Throw-it Thursday – We will be completing some different throwing games in school.

Sport Relief Day – Today we will complete the Sport Relief Mile around our playgrounds!

## Take care around school

To continually ensure all our children arrive and leave school safely, please take extra special care when driving close to school. Your speed along Royal Walk should be walking pace and be vigilant for children crossing the road. Also, please, please, please do not park on the yellow zig zagged line areas – even just to drop off. It takes a moment to hurt a child and a lifetime to live with the consequences

## Coming into school in a morning

At the start of the school day, please could all Key Stage 2 pupils enter school through the Key Stage 2 playground. If arriving after 8.45am, please could they come through the office and not via the Key Stage 1 playground. This is to ensure that they are marked present in the register and that Mrs Mitchell is able to order them a school lunch if required.

## Smoking near School

When dropping children off at school, please could you kindly refrain from smoking near the school gates. Passive smoking has also been proven to be just as harmful.

## Covid-19

As you will be no doubt aware, coronavirus and more specifically Covid-19 is present in the UK. To protect our children, and yourselves, we ask that you maintain high levels of hygiene by making sure that you and your children wash your hands thoroughly with warm, soapy water before you prepare food, eat food and after you have been to the toilet. This should ensure that we all stay healthy in school! If you require any more information about Covid-19 then please visit-

## CATCH IT

Germs spread easily. Always carry tissues and use them to catch your cough or sneeze.

## BIN IT

Germs can live for several hours on tissues. Dispose of your tissue as soon as possible.

## KILL IT

Hands can transfer germs to every surface you touch. Clean your hands as soon as you can.
