

Dear Parent/Carer,

End of Term Spring 2020

We are writing to thank you for all the support and understanding, which you have shown us during these unprecedented times, whilst we organise how our home learning structure will work.

We will be observing the Easter Holidays, for the children and more home learning resources will be available for each class on our website, under the "our learning" section, ready for the return to learning on Monday 20th April. In addition your child's/children's reports will be issued tomorrow via email.

As a bit of fun we are asking our fabulous Great Wood children to create their own Easter designs for our school website. Children can paint, draw, collage, or build their Easter creations and we would love to receive pictures of their work. Their masterpieces can be emailed to the school office at office@greatwood.staffs.sch.uk no later than Monday April 6th, for a chance to be posted on our website. Have lots of creative fun!

We would like to send our best wishes to you from all of our Great Wood family. Please stay home and keep safe.

Yours sincerely,

The Great Wood Team
