We follow the Ruth Miskin Read Write Inc Phonics Scheme

Guidance Sheet

This is the sound to be taught.
Remember to talk about how
the letter appears when it is
written.

The children can demonstrate
their understanding of the
sound by drawing a picture
beginning with the sound
i.e. s = snake

A green word is a word that you can sound out
(Fred Talk) for example, *c-a-t = cat*.
The children may need adult help at first to
model how to do this.

The caption/ word is a way to help the children
to remember the sound taught,
for example 'zip' = **z**

The mnemonic is designed to help your child
form the letter.

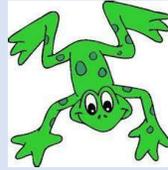

We encourage our children to form pre-cursive
letters, the **blue type** supports your child to do
this.

This is a good opportunity for the children to
practise writing the letter.
