Dear Parents/Carers

Party Time

Our children are missing out on their birthday parties, due to current covid guidelines and restrictions. We have decided that this is one change too many and are, therefore, going to hold birthday parties in school. Children will be able to celebrate their birthdays with their class friends, in school. There will be a birthday party in each class bubble, during an afternoon of each month (dates to be confirmed each month) and will celebrate all the birthdays in each class, within that month.

All children will enjoy their school lunch, or packed lunch and during the afternoon they will enjoy a party. Great Wood will provide fun games, activities, snacks and treats and there will be a small cake for each birthday child. Children must come to school, in school uniform as normal.

If your child has celebrated their birthday during September, or October they will be included in our first party on **Friday 27th November**.

We hope this will help to fill a gap for our children and help them celebrate their special days.

Yours sincerely

The Great Wood Team
