A sad farewell.

The children and staff said a sad farewell to Reverend Nicky last Friday. Pupils worked together as a classes to create cards as well as presenting a collection of: prayers, poems, songs, blessings and messages of thanks.

The pupils presented Rev. Nicky with gifts including a tree and a rose bush to plant in her garden to remember the pupils and her time at Bishop Rawle.

Thank you to all who donated money towards these beautiful gifts.

We would all like to wish Reverend Nicky the very best in her new job within the prison service and we hope she stays in touch with our school and community.

Goodbye and God bless.

Chinese New Year

This week pupils have enjoyed learning about Chinese New Year and the year of the Tiger in our whole school worship sessions.

Several of our classes have also taken part in RE lessons focused on this special festival and its traditions. This has included food tasting, mask making, dragon dancing and creating lucky red lanterns.

Visit from the Cheadle Mayor.

We were delighted to be awarded a special certificate from the Mayor following a whole-school event to support 'Show Racism the Red Card' - the UK's largest anti-racism educational charity.

The event was featured in an article in the Cheadle and Tean Times, which led to Sue Walley, Mayor of Cheadle, contacting the school to congratulate them for being part of such a special cause.

The Mayor was particularly proud of a quote made by one of our pupils – Zak – who said: "We are all different and that is amazing. Everyone should be treated with equality."

The Mayor visited us and presented a certificate to the whole school and a special one for Zak to recognise our involvement in showing racism the red card.

Worship Council news

Recently the worship councillors have been discussing their roles within school. During our meetings we have written a list of roles and responsibilities to agree to carry out.

Role of a Worship Council Representative.

- You will attend regular fortnightly meetings with other Worship Council members from each class.
- You will lead collective worships across the school and within your class.
- You will help to monitor and evaluate collective worship and share your ideas with teachers on how to improve worship.
- You will help to set up, promote and develop reflection prayer areas around the school.
- You will help to promote the school values and Christian vision within our school community.

Cheadle Town Tigers U11's Football Team

We are very proud to be the sponsor of Cheadle Town Tigers U11's football team this season. Not only is it lovely to give something back to our community, it is also pleasing that we have three of our very own Year 6 pupils playing for the team too.

School Council.

The School Council have been busy deciding upon a potential school pet that will be a weekly treat for the class whose attendance is 95% or higher. After half term, the Race to 5 initiative will begin. The School Council aim to improve our attendance and will be leading an assembly next week to inform all pupils on how they can be on board with this new, exciting scheme.

Based on the parent and pupil questionnaire responses, we are hopeful that after school clubs will return after half term and the School Council have been sharing their ideas on what clubs they would like to attend. A letter with details on after school clubs will be sent out shortly and we will, of course, ensure that they are carried out in the safest way possible.

Congratulations.

Last week, our fantastic kitchen staff underwent a food hygiene inspection. We would like to say a massive well done as they have been awarded a well-deserved 5 stars!
