Associate Teachers

We say farewell to our Associate Teachers today as their placement comes to an end. It has been a pleasure to see how they have developed over the past term and a half. They have provided invaluable support around school. We wish them every success as they continue on their training and move on to pursue their future teaching careers.

**Thank
You!**

Need to speak to a member of staff?

We continue to use our class email addresses to send and receive correspondence.

Staff do their best to check these emails daily during term time and from time to time during holiday periods.

We respectfully ask that you consider the times which emails/messages are sent to staff.
