## Our Amazing Stars!

We have been busy crowning our shiny stars in our celebration assemblies. Here are our wonderful winners from the last two weeks...

**Red Class: Emmett, Sophie, Finley, and Ollie**

**Yellow Class: Neo, Nell and Archie W**

**Green Class: Mason and Minnie**

**Indigo Class: Finn, Sophie and Holly**

**Violet Class: Tyler**

**Congratulations to all our shiny stars!**

## Attendance- Race to 5!

Each week our classes are aiming to have an attendance of 95% and above. A star is given for each time they hit the target, once 5 stars are collected....an afternoon treat of biscuits and juice has been earned!

Week beginning:	23.05.22	06.06.22
<b>Red Class</b>	94%	91%
<b>Yellow Class</b>	96%	<b>99%</b>
<b>Green Class</b>	96%	90%
<b>Indigo Class</b>	<b>99%</b>	96%
<b>Violet Class</b>	97%	86%

Congratulations to Indigo and Yellow for winning the attendance.

Well done to Yellow, Green, Indigo and Violet who each achieved a star!

### Office Hours

Please remember that the School Office is not open on Tuesday or Thursday afternoons. If you have an emergency, please call the school mobile on 07519 104228. Thank you.

## Red Class News

Red class have really enjoyed learning about their new topics over the last two weeks. The sunshine was a welcome surprise and gave us lots of opportunities to take our learning outside.

## Yellow Class News

Yellow Class have had a wonderful first two weeks of our new half term and we are really enjoying our new topics. In the first week back, we had Flopsy in our classroom due to our amazing attendance. We have enjoyed having her running alongside us as we worked but she has caused a bit of mischief, especially when she chewed through Mrs Cadman's computer mouse wire!

The Year 1 children also completed their phonics screening in the first week back. They have all worked so hard in their phonics this year and I am very proud of them all!

Look at our marvellous maths work! Over the last couple of weeks, we have worked hard on using our number bonds to 10 to find number bonds to 20 and writing inverse calculations as well as partitioning numbers in lots of different ways.

## Green Class News

Green Class have been busy over the past two weeks. From Science investigators to capacity detectives, the children have worked extremely hard learning all about our new topics this half term.

We have thoroughly enjoyed starting our new book in English. They have been focusing on their sentence structure, creating a lot of silly sentences linked to our text, Zeraffa Giraffa!

Last week, our Year 4 children completed their multiplication test. They all worked extremely hard and I am incredibly proud of them.

## Indigo Class News

We have been busy over the last two weeks; we have made volcanos in our science lesson and then the next week we watched them erupt! We also had biscuits, juice, crisps and cake to celebrate achieving our 5 stars for last term's attendance and then this week we have had Flopsy as we won the attendance award. In English, we have created our Lost, Lost Property Office poems and in Maths, we have focused on fractions, learning new vocabulary - integer. Our Year 4 pupils completed their multiplication test, they all worked brilliantly and had extra play for their effort and hard work- well done.

## Violet Class News

The Year 6 trip to Laches Wood was just brilliant right from the start.

Our children were fantastic, an absolute pleasure to take away and represented our school in the best possible light.

All of our children showed resilience, patience and determination in abundance and activities that some were scared of, you would never have known. They took every challenge in their stride and many overcame fears, tried new things and made new friends. It was wonderful to watch them and we are beyond proud, we also know that some do not deal too well with lack of sleep.
