Friday 14th October 2022

Our Amazing Stars!

We have been busy crowning our shiny stars in our celebration assemblies. Here are our wonderful winners from the last two weeks...

Red Class: Macie and Thea

Yellow Class: Joel and Mia T

Green Class: Eddy and Winnie

Indigo Class: Skye and Ellana

Violet Class: Reanie and Evie-Mae

Congratulations to all our shiny stars!

Attendance- Race to 5!

Each week our classes are aiming to have an attendance of 95% and above. A star is given for each time they hit the target, once 5 stars are collected....an afternoon treat of biscuits and juice has been earned!

Week beginning:	26.9.2022	3.10.2022
Red Class	95%	94%
Yellow Class	91%	95%
Green Class	97%	92%
Indigo Class	93%	94%
Violet Class	91%	87%

Congratulations to Yellow for winning the attendance.

Well done to Red and Green Class who each achieved a star last week!

Harvest Service

This Friday the pupils, staff and families of Bishop Rawle enjoyed a Harvest Service at St Giles the Abbott Church in Cheadle. Reverend Terry and Reverend Fran welcomed us into church to perform our songs, poems and stories about Harvest.

We would like to thank those of you who helped to walk our pupils to church and to those of you that were able to attend and celebrate with us, it was a fabulous turn out!

Also, thank you for your Harvest donations, each item donated means so much to the Cheadle Food Bank and helps us as a school to support those in our community who need it right now.

A League and B League Football

This week, the Bishop Rawle B League football team took part in their final matches and they went out with a bang! Again, we saw excellent sportsmanship and great teamwork. Playing at a new school (Cicely Haughton) with many children they had never met before, our players showed increasing confidence and skill. We began with a fantastic win (2-1), followed by a draw (1-1) and in our third match (without a rest!), we drew again (0-0). Well done all of you! The children were delighted to receive certificates and a lot of applause in our praise and celebration this week.

A – League footballers finally had the chance to play in some sunshine! These children should be really proud of how far their football and teamwork skills have come. Well done to those who played 13/10/2022 especially, as we came out on top with a 3 – 0 win! Thank you to all parents and carers who come to support the children. We play our last fixture at Cheadle Primary School on Thursday 20th October.

Office Hours

Please remember that the School Office is not open on Tuesday or Thursday afternoons. If you have an emergency, please call the school mobile on 07519 104228. Thank you.

Volunteers wanted!

Our school Needs You!

If you have some free time and you would like to come and help in school hearing readers, helping in the classroom, putting up display work, we would love to hear from you.

Please contact Miss Morris in the School Office and let her know that you would like to support our school and we will get back to you.

Please share...

IMPORTANT INFORMATION - ADMISSION INTO RECEPTION CLASS SEPTEMBER 2023

To be sure of receiving an offer on national offer day please apply online through our website www.staffordshire.gov.uk/admissions from 01 November 2022.

The online system will ask for a UID number – please click 'No UID', this will allow you to continue with your application.

You will need to make your application by 15 January 2023 and your child will receive an offer of a reception place on national offer day 17 April 2023.

All the information you need about the admissions process within Staffordshire is available on our web pages.

Please be sure use our "school search and compare" facility on the Staffordshire website. You can also check if your child will be eligible for free home to school transport by visiting www.staffordshire.gov.uk/schooltransport.

You must apply for all schools that you would prefer your child to attend including schools outside of Staffordshire or grammar schools. You will need to check the admissions arrangements for each school you are interested in to see what priority will be given to your application and whether you should provide additional information or a supplementary form with your online application.

If you do not make an application your child will be disadvantaged as children whose parents/carers have applied will be given priority for popular schools.

You must apply even if you have an elder child already attending the school (or affiliated Junior). No priority is given in the admission process because your child is currently in a nursery class and there is no guarantee that they will be allocated a place at the school at which they currently go to nursery.

If there are other persons with parental responsibility for your child, who are not living at your home address, it is expected that you will jointly agree on school places before an application is made. The local authority is not able to intervene in disputes between parents over school applications and will request that these are resolved privately.

Yours faithfully

School Admissions and Transport Service

Red Class News

As always, the week rushes by in Red Class.

This week, our pupils have wowed us with their knowledge of other countries, cultures and faiths through our geography lesson 'Around the world'. In our new English text, 'Meesha makes friends', it has helped us to explore how to make friends, what makes a good friend and how to stay friends when we like different things.

We were very proud of our pupils this week, they took on new challenges such as - maths hunts around the school, learning a new red word in phonics, rehearsing our Harvest song in front of the whole school and identifying the sounds in CVC words. We even appeared in last week's local newspaper, we are famous!

Yellow Class News

Yellow class are currently enjoying our story, 'Look up.' Inspired by the astronaut in the story, we wrote super descriptions of our own rockets. Our vocabulary is growing every day!

In the pictures, you can see some of the children looking for objects we would measure in metres. We also measured many smaller items in centimetres, using our rulers.

We also enjoyed creating food chain-paper chains and could not believe that plants make their own food!

Green Class News

This week, the children in Green class have started their new English text, 'Coming to England'. In the coming week, they will begin to write their own diary entries and letters based on our class text.

In Maths, the children have completed their Shape unit and have thoroughly enjoyed identifying 3D shapes and their properties before linking these to everyday objects.

The children enjoyed role playing the story of Rama and Sita as part of our RE unit, 'Festivals of Light', before creating a class Rangoli pattern.

Green Class participated in yoga and mindfulness activities as part of Mental Health Week. They focused on breathing techniques and settling thoughts before taking time out to reflect. Take a look at our pictures below...

Indigo Class News!

Lots of exciting things have happened in the last two weeks, we have finished our non-chronological report about gorillas and in Maths we have been learning about 3D shapes, nets and properties.

In our science topic, Sound, we made string telephones and next week we are making ear muffers and pan pipes!

Some of our Year 4 pupils enjoyed taking part in bikeability this week and we all participated in yoga for Mental Health Week.

Violet Class News

Over the past few weeks in Violet Class, we have worked incredibly hard and we have completed our English text- Star of Fear, Star of Hope. We have enjoyed broadening our horizons and reflecting upon a different religion. Using our incredible imagination and knowledge we have gained throughout reading this text, we have written our own Flashback Story in the voice of a young girl, who lived as a Jew in Paris, 1942.

In Science this week, we have planned, and started to conduct an experiment investigating what effect micro-organisms and bacteria have on food in different environments. We are looking forward to reporting our findings next week!
