Attendance- Race to 5!

Each week our classes are aiming to have an attendance of 95% and above. A star is given for each time they hit the target, once 5 stars are collected....an afternoon treat of biscuits and juice has been earned!

Week beginning:	10 th October	17 th October
Red Class	95%	95%
Yellow Class	96%	93%
Green Class	99%	100%
Indigo Class	95%	97%
Violet Class	93%	97%

Congratulations to Green class for winning the attendance.

Well done to Red, Indigo and Violet Class, who each achieved a star!

The winning classes who achieved 5 stars or more: Red, Yellow and Green class.

As Green class achieved the highest attendance in the last week before half term, they will have the pleasure of 'Harold' join them this week – watch this space with picture updates to see how Harold has been getting on over the next coming weeks!

'Show racism the Red Card' Coffee and Craft morning.

On Friday 21st October, we had a wonderful morning celebrating diversities. Throughout October, all classes had been reading texts focusing on inspirational people and how we can all change the world we live in for the better. To culminate our activities, we took part in the annual event, 'Show racism the Red Card'. It was brilliantly supported and parents, grandparents and pupils all reported enjoying their time having coffee and making some fantastic art work. Thank you for your continued support. Here are some examples of the fun we had!

School Council News

Before half term, our School Councillors came up with a fantastic idea to have our very own Bishop Rawle attendance bear. The bear will be part of our Race to 5 incentive, which allows the winning class with the highest attendance have him join them for the entire week!

We are delighted to welcome 'Harold' the bear to our school and we cannot wait for him to visit each class over the next coming weeks. The children are very excited too!

Sophie (Y6) said, 'I think the bear will be a good way of promoting attendance across the school because it would be lovely for all classes to have a furry companion for the week.'

'I can't wait for Harold to join our class for the week!' Logan (Y2)

In other news, school council have scheduled a meeting for Friday 4th November to talk about ways we can improve our school, thinking about new monitor roles and behaviour rewards across the school.

Eco Council News

We have had two meetings so far and the children have been great at sharing their ideas already. Just before the holidays, we came together to create a checklist for teachers. We thought about ways in which we can save energy and help out planet. The Eco-Council came up with suggestions such as: turning off lights, unplugging electrical equipment at the end of the day, turning off taps and closing windows and doors to keep the heat in.

We have also been in touch with Severn Trent to request some freebies which will help our school to make a difference to our precious planet. You can also use this at home! Using 'Get Water Fit,' you answer a few questions about your home (such as how many toilets you have; how many times a week you use the washing machine) and they will suggest free items to help you save energy (and money!) For example, toilet leak detection tables, a shower timer, cistern bag and shower head regulator. Find more information here: <https://www.stwater.co.uk/wonderful-on-tap/save-water/get-water-fit/#/>

Worship Council News

'In Worship Council this term, we are working together to help our school. We have had our Harvest Festival in church and we had lots of fun. Thank you for coming to see us'.

'We want to say thank you for bringing in your food donations for The Cheadle Foodbank, they were so pleased and happy to see us. Thank you'.

By Lilly and Brody in Red Class.

In other news, we are working with our Eco- Council to create a Prayer Garden that can be used by pupils, staff, families and visitors to our school.

If you can donate any plants, garden ornaments or furniture, please let Mrs Hill and the Worship Council know.
