Red Class News

Happy New Year and welcome back!

What a wonderful start to the new year. We are straight into learning about our new English text, *The Naughty Bus*, it's very funny! The children are all really enjoying our Read Write Inc guided reading sessions. We are super proud of how well they are doing already.

In the last two weeks we have looked at; counting, subitising, 1 more, 1 less, patterns and now number bonds to 5. The children are working hard to learn lots of new maths concepts.

Take a look at some of our activities so far.

As we learn more phonic sounds this term, remember to revise all of the sounds that you have learnt so far in your sound book.

Keep practising and read as often as you can!

In Yellow Class, we have been working on shape and time in Maths. We should now be familiar with o'clock and half past, as well as quarter past and to (Y2) so let your children keep an eye on the time for you! You can see us here enjoying some dancing in PE! We've come back with lots of energy since the Christmas break! We have had a look at seeds this week and learnt about 'germination.' We are looking forward to planting them next week.

Happy New Year to you all!

The children have worked extremely hard over the past two weeks.

We have launched our new English text, Seal Surfer by Michael Foreman and have even started reading the Iron Man during whole class guided reading. The children have particularly enjoyed our Science unit so far which is focusing on light and shadows! Take a look at our lovely activities...

Indigo Class

Welcome back and a happy New Year! We have got straight back into working hard. Over the last two weeks we have been busy telling the time, finding out about volcanos, learning about Pompeii and starting our swimming lessons- which we all love. Some of us have also been busy going to Forest School, whilst the rest of the class have been creating mosaics.

Violet Class News

Happy New Year from all of Violet Class! During the last few weeks, we have been learning all about division, calculating percentages and have enjoyed reading our new Guided Reading text - The Happy Prince.

The pupils are already showing their hard working attitudes and motivation to learn this term!

Starting on Thursday 16th January 2023, our Year 6 pupils are invited to SATS Booster sessions from 3:30pm to 4:30pm, every Thursday. This is a wonderful opportunity for them to have extra support and guidance as they make their way towards completing their SATS. Some treats will be provided each week, but the pupils are also welcome to bring in their own. I hope to see every Year 6 pupil attending the booster sessions.

Eco Council and Gardening Club

Here you can see our Eco- councillors showing off some bird feeders. They were made by the children who took part in Gardening club last term with Mrs Evans and Miss Wilkinson.

This is a really great way to help birds during the winter when there may be shortages of food. They are made from a range of ingredients, such as lard, mealworms, nuts and mix seeds. If you would like to have a go yourself at home, there are step-by-step instructions on the RSPB website: [Feed the birds \(rspb.org.uk\)](http://Feedthebirds(rspb.org.uk)).

Nativity

This week our EYFS and Key Stage 1 pupils performed their final nativity show. Thank you to all of our parents, carers and families for supporting us before and after Christmas with costumes, attendance at the shows and raffle ticket sales.

We are incredibly proud of all of the children in Reception, Year 1 and Year 2. They were absolutely fantastic! I am sure that you will all agree; we are often see hidden talents in our children during the performances. It was wonderful to see the excitement in their faces as they sang and read out their lines. Well done everyone!

Guided Reading Parent Workshop

Thank you to those parents and carers who attended the workshop about our new approach to guided reading. The PowerPoint slides are in the process of being emailed out to all Reception, Year 1 and Year 2 parents/ carers. If your child is in another year group and you would like the slides from the workshop, please speak to your class teacher.

We are pleased and proud to offer this reading scheme, having seen the fantastic improvement in reading in our sister school Read Write Inc guided reading is a fast paced, repetitive and progressive reading scheme that allows children lots of opportunities to apply their phonic skills alongside other reading strategies. If you have any further questions, or would like any information, please speak to your child's class teacher.
