Thursday 28th June 2023.

Dear Parents and Carers,

The Valley Primary School Unconventional Sports Day.

On **Thursday 13th July**, we will be hosting this year's sports day. We would like to invite you to come into school and take part in some sporting events with your child.

There will be a number of 'stations' set up on the school field and you will be able to have a go at the activities with your child. These will include events such as an 'Egg and Spoon Race' and 'Welly Wanging.'

The events will be taking place during two sessions. The first of these will be at **10am** and the second will be at **2pm**. If you wish to come along, please fill in the slip below with your preferred time slot. When you come to school on the day, you will have the opportunity to collect your child from class and move around the 'stations', hopefully have lots of fun along the way. The events are all about having an enjoyable experience with your child and seeing them in their school environment. If you have more than one child in the school, then you can move around the stations with all of your children.

The event will last for roughly one hour. If you choose to come to the 2pm slot, then you will be able to take your child with you once you have completed all the stations.

If you are unable to attend, please do not worry, your child will not miss out. Everybody in the school will be able to have a go at all the sporting events, either with their parent/carer or with their class teacher.

If you have any questions, please do not hesitate to ask.

Many thanks,

The Valley Team.
