## Red Class

What a busy few weeks as always. Lots of exciting learning has taken place.

We really enjoyed our themed day last week, the climbing wall was a huge hit. We had such fun using the parachute and our wonderful children are very good at scavenger hunts!

In English we are working incredibly hard on sentence writing and independently applying our phonics.

Maths has been super exciting with subitising, counting and calculations to find more and less than a number.

Our topic work has taken us around the world and we are exploring freezing and melting also.

It has been wonderful to welcome the children back!

We have been learning about our new text in English called 'Grandpa's Gift' and showing how brilliant we are at addition and subtraction in maths. The children have also enjoyed the start of our new Design and Technology topic called 'Dips and Dippers'.

Last Friday, the children worked in their houses during the morning, completing lots of fun activities. In the afternoon, we participated in a range of different activities including yoga, traversing and a scavenger hunt.

Our new English text, 'Stone Age Boy,' is linked to our History topic this half term has been a real hit with the children so far. We have worked so hard in our maths lessons to make sure we are really secure with place value of 2 and 3-digit numbers.

We have also enjoyed painting and printing in our Art lessons and investigating reflection of light in Science.

Take a look at some of the activities that we have taken part in recently, including our themed house morning and wellbeing afternoon.
