Our Amazing Stars!

Please join us on every Monday for our 'Stars of the Week' assembly at 09:00 - everyone welcome.

We have been busy crowning our shiny stars in our celebration assemblies. Here are our wonderful winners from the last two weeks...

Red Class: Jaxon C and Colby

Orange Class: Alfie and Grace

Yellow Class: Rosie K and Dominic

Green Class: Finley and Eleanor

Indigo Class: Logan C and Roman C

Violet Class: Amelia and Ella B

Congratulations to all our shiny stars!

Attendance

Each week our classes are aiming to have an attendance of 95% and above. Mrs Love and the School Council have met to discuss the attendance awards, and the councillors had some amazing ideas!

Classes will still collect stars for each week with attendance above 95%. Once 5 stars have been collected, children in the class can choose from extra Golden Time, extra break time, or to swap a lesson for an extra one of their choice! If a class achieves a magic 100% attendance, they will have extra break time on the Friday afternoon!

Class	Week beg: 3 rd March	Week beg: 10 th March
Red Class	93.8%	96.6%
Orange Class	98%	96%
Yellow Class	93.2%	96.4%
Green Class	95.7%	96.4%
Indigo Class	98.1%	99%
Violet Class	98.3%	99.2%

Congratulations to Orange Class, Green Class, Indigo Class and Violet Class who all earned a star in the week beginning 3rd March, and to all classes who earned a star in the week beginning 10th March! Well done everyone!

Congratulations to our Confirmation candidates.

On Sunday 9th March at 6pm several of our Key Stage Two pupils attended their Confirmation Service. Alongside other candidates, they welcomed the sacrament of Confirmation, affirming their Christian faith.

With Reverend Garry and The Bishop, staff watched in admiration as these young people took a mature step in their own personal journeys.

We are incredibly proud of Luna, Olivia, Isla and Toby. Well done and may God Bless each of you.

Dear parents and carers,

Re: Parent Trustees

As you are aware, at the end of the Autumn term, we held elections for two new Parent Trustees. Elections were open to parents and carers in each of the nine schools within The Moorlands Primary Federation and we are very grateful to all who kindly nominated themselves for these important posts. It gives us great pleasure to be able to introduce our two new democratically-elected Parent Trustees, Mrs Katie Lane and Mr Oliver Mellor.

Katie has two children, one of whom attends Hollinsclough C E Academy. Katie works as a freelance marketing and branding consultant. Should you wish to contact her in the capacity as a Parent Trustee, her email is klane@tmpf.staffs.sch.uk

Oliver has two children who both attend St. Peter's C E First School. He is a business owner with a passion for STEM (Science, Technology, Engineering, and Mathematics) education. Should you wish to contact Oliver as a Parent Trustee, his email is omellor@tmpf.staffs.sch.uk

As Parent Trustees, Katie and Oliver welcome your communication, and will share relevant information, questions and/or suggestions to the Trust Board on your behalf.

The Moorlands Primary Federation Trust Board is made up of nine Trustees who meet as a full board on a termly basis. All Trustees are volunteers. The Board is also divided into several committees which hold additional meetings. Although each school has a Link Trustee, all members of the Trust Board are representative of each of the schools within The Moorlands Primary Federation. As always, should you wish to contact any other Trustee, simply send your email to your school's office account, and it will be shared accordingly.

Thank you for your continued support,

The Moorlands Primary Federation

HEAD LICE ALERT

PLEASE CHECK YOUR CHILD'S HAIR TONIGHT!!

TO CHECK

Check the scalp for insects or eggs.
Use a fine-tooth comb on wet hair then comb through the hair in sections looking for eggs or lice, repeat over a few days.

TO TREAT

Wet the hair and scalp with conditioner or use chemical shampoo/ lotion (containing insecticide) – this will kill the lice and eggs. Using a fine metal comb, or special head lice comb you can get from a chemist, go through the hair in sections to comb the lice and eggs out.

Always re-treat 7–10 days after the first treatment, to kill any head lice that may have hatched from eggs that survived the first treatment.

TIPS

- ✓ Check and treat the hair every night
- ✓ Please tie up long hair for school
- ✓ If your child has head lice please check everyone in the family home
- ✓ Do not share hairbrushes, towels, hats/ scarves etc.

Red Class

As you can see, we are having an amazing time in our topic 'Fabric faces and sock puppets.' We have been exploring materials and their uses. Check out our new hair! If you haven't sent in a clean sock, then please do. We will be making our puppets over the next few weeks.

Orange Class

We have had a great couple of weeks in Orange Class!

We have particularly enjoyed a visit to the Methodist Church. We started the morning by having a chat with Reverend Julie about the importance of the cross. After that, we created a flower to represent new life and light. We were luckily enough to have a biscuit too! Thank you to the Methodist Church for having us, we had a fantastic time!

Yellow Class

Just like that, another couple of busy weeks have gone by. Time really does fly when you're having fun! We have really enjoyed consolidating our knowledge of multiplication and division recently, playing games to help us to remember. In Science, we have completed a bug hunt to try and find insects in their microhabitats and our Geography work had led to discussions around human and physical features in our local area, identifying the difference between the two. Last Friday, we all had great fun in support of Comic Relief.

Green Class

Green Class have been enjoying their 'Night Light Creators' unit this term. They have looked at various designs and thought about their target audience before learning how to make and use an electrical system. Last week, the children made a simple switch to control a light by looking at, discussing and creating their own series and parallel circuits.

Take a look at the pictures below.

Indigo Class

Children in Indigo class are becoming keen meteorologists and scientists!

To support our Geography topic, 'Investigating weather and climate,' we are recording the weather in Cheadle using our very own weather station!

In Science, we have investigated the forces air resistance and friction through practical enquiry.

Children are enjoying our non-fiction text in guided reading, titled 'Exploring Space.' They have learnt lots about the International Space Station and astronaut, Chris Hadfield. We have been able to link this to real life news, finding more about the stranded astronauts who have returned from space this week!

Violet Class

We have been having a great time in Violet Class over the last couple of weeks – and loving the beautiful Spring sunshine! We have tackled some tricky maths magic squares, practised our tennis skills, developed our coding on Scratch and designed thank you cards for our amazing NHS workers.
