Monday 7th April 2025

Our Amazing Stars!

Please join us on every Monday for our 'Stars of the Week' assembly at 09:00 - everyone welcome.

We have been busy crowning our shiny stars in our celebration assemblies. Here are our wonderful winners from the last two weeks...

Red Class: Lily and Ethan D

Orange Class: Chester and Megan T

Yellow Class: Jenson L and Grace H

Green Class: Olivia E and Ernie

Indigo Class: Esme M and Archie E

Violet Class: Evie W and Abdul

Congratulations to all our shiny stars!

Attendance

Each week our classes are aiming to have an attendance of 95% and above. Mrs Love and the School Council have met to discuss the attendance awards, and the councillors had some amazing ideas!

Classes will still collect stars for each week with attendance above 95%. Once 5 stars have been collected, children in the class can choose from extra Golden Time, extra break time, or to swap a lesson for an extra one of their choice!

Class	Week beg: 17 th March	Week beg: 24 th March
Red Class	95.9%	97.2%
Orange Class	98%	94.5%
Yellow Class	97.5%	98.6%
Green Class	94.6%	93.9%
Indigo Class	98.6%	97.1%
Violet Class	99.2%	88.3%

Congratulations to Red Class, Orange Class, Yellow Class, Indigo Class and Violet Class, who all earned a star in the week commencing 17th March, and to Red Class, Yellow Class and Indigo Class, who all earned a star in the week commencing 24th March!

Red Class

What a fun filled few weeks we have had. As we make our way through the season of Lent, the children are excited to prepare for Easter. Thank you to our families for their tremendous support with our service in church, the Easter bonnet parade and the Easter crafts. We have all had a wonderful time celebrating with you.

We wish you a very well-earned break for Easter, as well as lots of tasty chocolate treats.

Orange Class

Orange Class have had a fantastic couple of weeks!

The children have worked incredibly hard to create their own story, based around the text 'Beegu'. The children applied many features that we have been learning about including exclamation marks and adjectives to add detail and express feelings. In maths, we have mastered finding a quarter of a shape and quantity and we have now moved onto Number and Place Value.

In our RE learning, we have enjoyed learning about 'Why does Easter matter to Christians?'. The children have created some beautiful representations of the Easter story using art.

Keep up the fabulous work Orange Class!

Yellow Class

What a fabulous couple of weeks we have had! Yellow Class have absolutely loved computing this half term. In recent weeks, they have shown amazing confidence in programming a micro:bit using Microsoft MakeCode, identifying any errors and debugging their code effectively. In Science, the children have enjoyed searching for microhabitats in our school grounds. We have also really enjoyed writing our final diary entry linked to our English text this half term.

On Friday, we said a fond farewell to Mr Talbot, who has been with us on placement for the last 9 weeks. We wish him all the best in his future placements.

Green Class

Our learning over the past two weeks has been filled with engaging and educational activities!

The children have been diving into the fascinating world of Computing.

They explored the inner workings of a computer, gaining hands-on experience and understanding how different components function together. In maths, the focus has been on statistics. They have been working hard to complete various statistical problems, enhancing their analytical skills and understanding of data before presenting data using bar charts and line graphs.

One of the most exciting projects has been designing our night lights. The class have put their creativity to the test, and we can't wait to see their final designs next week!

Indigo Class

Indigo class have had a busy few weeks!

In English, children have been using drama to help consider character feelings. They created conversations between characters to later write as dialogue, applying their taught skills.

In Maths, they have shown resilience and determination when working within the topic of Area and Perimeter.

In Science, children have carried out another investigation, working in small groups to answer the question 'Which shoe has the most resistance?'. This supported their understanding of friction, as a force acting between two surfaces.

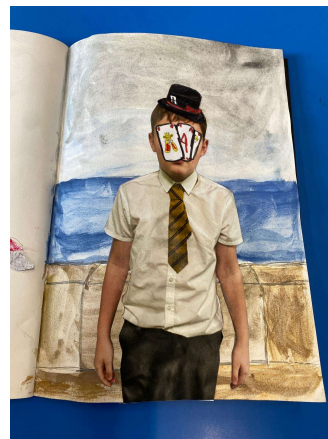

Royal Walk, Cheadle, Staffordshire. ST10 1QA. Telephone: 01538 702355 opt 5. E-mail: office@bishoprawle.staffs.sch.uk

Violet Class

What an exciting fortnight it's been in Violet Class! Our young explorers have been diving deep into the fascinating world of Charles Darwin and the Galapagos Islands, crafting their final pieces with creativity and curiosity. In maths, they've been putting their problem-solving skills to the test, mastering the concepts of perimeter and area with impressive determination. In science, we tested coloured filters. And if all that wasn't enough, our budding artists have been busy creating masterpieces inspired by Magritte!

Easter Parade!

WOW! What an **egg**cellent parade we had on Friday as part of our Easter celebrations. Each entry was amazing and unique, well done to all!

A massive thank you to our PTFA friends and Reverend Garry for organising the event and making it so special. Finally, a huge thank you to our parents and carers for joining us. It was wonderful to see so many of you there!

HEAD LICE ALERT

PLEASE CHECK YOUR CHILD'S HAIR TONIGHT!!

TO CHECK

Check the scalp for insects or eggs.

Use a fine-tooth comb on wet hair then comb through the hair in sections looking for eggs or lice, repeat over a few days.

TO TREAT

Wet the hair and scalp with conditioner or use chemical shampoo/ lotion (containing insecticide) – this will kill the lice and eggs. Using a fine metal comb, or special head lice comb you can get from a chemist, go through the hair in sections to comb the lice and eggs out.

Always re-treat 7–10 days after the first treatment, to kill any head lice that may have hatched from eggs that survived the first treatment.

TIPS

- ✓ Check and treat the hair every night
- ✓ Please tie up long hair for school
- ✓ If your child has head lice please check everyone in the family home
- ✓ Do not share hairbrushes, towels, hats/ scarves etc.
