

Year 1 Autumn Term Homework Grid

Dear Parents/Carers,

Below is a selection of themed homework activities for your child to complete during the Autumn term. These activities are designed to be fun, educational and supportive of classroom learning. Please feel free to choose activities that suit your child's interests and complete them at your own pace. We encourage you to talk with your child about what they've learned and celebrate their efforts. Please send in photographs to our class email address saplings@tmpf.staff.sch.uk or children can create work straight into their homework books. This evidence can be shown in our 'Show and Tell' session, showing purposeful learning and gives the children opportunity to celebrate their efforts.

Harvest	Halloween	Bonfire Night
Draw and label your favourite fruit or vegetable.	Design your own Halloween costume and describe it.	Create a firework picture using bright colours and patterns.
Help prepare a healthy meal using autumn produce.	Write a spooky story with a beginning, middle and end.	Talk about fire safety and list safe behaviours.
Create a picture of a scarecrow using craft materials.	Count and sort Halloween-themed objects (e.g., pumpkins, bats).	Write a sentence about what you see and hear on Bonfire Night.
English and Maths.		
Write a sentence about your weekend.	Read a book and draw your favourite character.	Practice spelling 5 new words.
Count objects around your home up to 50.	Practice number bonds to 10.	Draw and label 2D shapes.
